Holidays and Paid Time Off

Paid Time Off

At Sprinklr, we believe it is important to take time off to recharge and spend time with loved ones - it is essential for your mental and physical wellbeing as well as your personal and professional growth.

Our leave programs are designed to give you the time you need to relax and recharge, heal and recover, bond with your loved ones and prioritise your development.

We want to truly deliver on The Sprinkly Way by incorporating our core beliefs and values into everything we do for you; because we passionately and genuinely care and our employees are our family.

Paid Time Off

Parental Leave

Spending time at home when you welcome a new addition to your family is incredibly important.

Our leave program is designed to provide enhancements to the statutory parental leave to give you the ability to strengthen your bond with your new child.

Sickness Leave

In the event that you are unwell, we understand that sometimes you need to take some time away to recuperate and recover.

Employees are entitled to 10 days per calendar year of personal leave. If you exhaust this leave, Sprinklr will provide a further 10 days of leave at 50% of your basic salary.

Bereavement Leave

Losing a loved one can be devastating. Sprinklr understand that it is important you use this time to grieve, heal and spend time with those who mean the most to you.

Sprinklrites also benefit from bereavement counselling through our Global EAP, giving you the support you need when you need it most.

24-4-U and 24-4-Others

Every Sprinklrite has the opportunity to take one full day (every year) away from the office to dedicate to yourself (24-4-U) and one day to dedicate to your giveback activities (24-4-Others).

The 24-4-U program is based on one of our core beliefs: "Every human has the potential to be amazing. Keep learning."

Caregiver Leave

Sprinklr recognise that it is important to balance work obligations with providing care for your family.

Our Caregiver Leave policy is designed to be there for you to take care of your eligible dependents should the situation arise.

The initiative gives every Sprinklrite an opportunity to focus on a learning and development activity of your choice.

24-4-Others is a companion program to 24-4-U that takes the spirit of investing in yourself and applies it to investing in others through community volunteering and giving. Here at Sprinklr, we believe: "Helping others succeed makes us happy. Give back."
