How Benefits Work

Here at Sprinklr, we understand that when our employees are happy, we thrive. Because we *passionately and genuinely care*, we give back to our employees through our company sponsored benefits, giving everyone an opportunity to harness their potential of being amazing.

Our employee medical, life, personal accident, disability and critical illness plans are all covered by Sprinklr. You are automatically enrolled into the company life, personal accident, disability and critical illness plans from your first day of employment.

Following Mini-Splash on your first day, you will receive a welcome email from our HR APAC team with instructions on how to enrol into our medical plan.

We are here for you.

If you have any questions on the benefits available, are having difficulty enrolling and much more, the benefits team can be contacted at benefits@sprinklr.com

Alternatively, you can contact the HR APAC team at hrapac@sprinklr.com.

Irrespective of where you are in your career, we know it is important to start thinking about saving for your future.

Sprinklr remain compliant with Singaporean Law by contributing to the Central Provident Fund (CPF).

To be eligible for CPF contributions, you must either be a Singapore National, or have been a Singapore Permanent Resident for a minimum of three years.

Holidays and Paid Time Off

Paid Time Off

At Sprinklr, we believe it is important to take time off to recharge and spend time with loved ones - it is essential for your mental and physical wellbeing as well as your personal and professional growth.

Our leave programs are designed to give you the time you need to relax and recharge, heal and recover, bond with your loved ones and prioritise your development.

We want to truly deliver on The Sprinkly Way by incorporating our core beliefs and values into everything we do for you; because we passionately and genuinely care and our employees are our family.

Paid Time Off

Parental Leave

Spending time at home when you welcome a new addition to your family is incredibly important.

Our leave program is designed to provide enhancements to the statutory parental leave to give you the ability to strengthen your bond with your new child.

Sickness Leave

In the event that you are unwell, we understand that sometimes you need to take some time away to recuperate and recover.

The amount of time off you are eligible for depends on your tenure. If you join the company mid-year, your entitlement will be prorated.

Bereavement Leave

Losing a loved one can be devastating. Sprinklr understand that it is important you use this time to grieve, heal and spend time with those who mean the most to you.

Sprinklrites also benefit from bereavement counselling through our Global EAP, giving you the support you need when you need it most.

24-4-U and 24-4-Others

Every Sprinklrite has the opportunity to take one full day (every year) away from the office to dedicate to yourself (24-4-U) and one day to dedicate to your giveback activities (24-4-Others).

The 24-4-U program is based on one of our core beliefs: "Every human has the potential to be amazing. Keep learning."

Caregiver Leave

Sprinklr recognise that it is important to balance work obligations with providing care for your family.

Our Caregiver Leave policy is designed to be there for you to take care of your eligible dependents should the situation arise.

The initiative gives every Sprinklrite an opportunity to focus on a learning and development activity of your choice.

24-4-Others is a companion program to 24-4-U that takes the spirit of investing in yourself and applies it to investing in others through community volunteering and giving. Here at Sprinklr, we believe: "Helping others succeed makes us happy. Give back."
