Welcome to Sprinklr India!

Here at Sprinklr, we understand that when our employees are happy, we thrive. Because *we passionately, genuinely care*, we give back to our employees through company-sponsored benefits, giving everyone an opportunity to harness their potential of being amazing.

Our employee medical, life, and accident plans are all **covered 100%** by Sprinklr. You are automatically enrolled into the company life and accident plans from your first day of employment. You can choose to extend medical coverage to a spouse/partner, parents/parents-in-law and/or dependent children, and opt for additional sum insured, should you wish.

Eligibility & Enrolling

You become eligible for Sprinklr benefits on your first day. You will receive enrollment information via email from the benefits enrollment platform, Benefits You, within 15 days of your hire date. You will have **15 days** to enroll dependents and select additional sum insured through the portal. If you do not complete enrollment timely, you will not be able to enroll dependents, or select additional sum insured until the next renewal cycle of the policy or unless you experience a Qualifying Life Event.

We are here for you.
