Irrespective of where you are in your career, we know it is important to start thinking about saving for your future.

Sprinklr partners with Zurich to allow you to contribute to your retirement savings.

Your pensionable salary is defined as your basic salary, plus any regular bonuses and commissions. You will contribute 50% of the premium, and Sprinklr will also contribute 50%.

Life and disability benefits are also baked into your pension scheme, funded by our split contributions:

- In the event of death in service, your nominated beneficiary will receive 100% of the invested funds
- In the event of disability. You will receive a disability pension of 70% of your last reported annual salary with a partner pension of 40% and a child's pension of 10%.

Paid Time Off – Leave & Absence

Family Leave

Sprinklr's Wage Replacement Benefit has been designed to support all families, however you build yours.

We provide paid time off that supports both the physical recovery associated with childbirth, as well as time to bond with your new child.

Sickness Leave

As sickness benefits are insured in Switzerland, the amount you are paid and the periods of absence are governed by the terms and conditions of our policy.

Bereavement Leave

Losing a loved one can be devastating. Sprinklr understands that it is important you use this time to grieve, heal, and spend time with those who mean the most to you.

Sprinklrites also benefit from bereavement counselling through our Global EAP, giving you the support you need when you need it most.

Caregiver Leave

Sprinklr recognizes that it is important to balance your work obligations with providing medical care for your family.

Our Caregiver Leave policy is designed to be there for you to take care of your eligible dependents should the situation arise.
