Important Policy Provisions and Definitions:

Covered Person: An eligible person who is enrolled for coverage under the Policy.

Covered Loss: A loss that is specified in the Policy in the Schedule of Benefits section and suffered by the Covered Person within the applicable time period described in the Policy.

When your coverage begins: Coverage begins on the later of the program's effective date, the date you become eligible, the first of the month following the date your completed enrollment form is received, or if evidence of insurability is required, the first of the month after we have approved you (or your dependent) for coverage in writing, unless otherwise agreed upon by Cigna. Your coverage will not begin unless you are actively at work on the effective date. Coverage for all other Covered Persons will not begin on the effective date if the covered person is confined to a hospital, facility or at home, disabled or receiving disability benefits or unable to perform activities of daily living.

When your coverage ends: Coverage ends on the earliest of the date you and your dependents are no longer eligible, the date the group policy is no longer in force, or the date for the last period for which required premiums are paid. For your dependent, coverage also ends when your coverage ends, when their premiums are not paid or when they are no longer eligible. (Under certain circumstances, your coverage may be continued. Be sure to read the provisions in your Certificate about when coverage may continue.)

30 Day Right To Examine Certificate: If a Covered Person is not satisfied with the Certificate of Insurance for any reason, it may be returned to us within 30 days after receipt. We will return any premium that has been paid and the Certificate will be void as if it had never been issued.

Exclusions and Limitations:

Exclusions: In addition to any benefit-specific exclusions, benefits will not be paid for any Covered Loss that is caused directly or indirectly, in whole or in part by any of the following: • suicide, attempted suicide or intentionally self-inflicted injury; • participation in a felony, riot or insurrection; • war or act of war (whether declared or undeclared); • service in the Armed Forces or units auxiliary thereto (upon our receipt of proof of service, we will refund any premium paid for this time; Reserve or National Guard active duty training is not excluded unless it extends beyond 31 days); • services performed, or a diagnosis made by a member of the Covered Person's immediate family.

Specific Definitions, Benefit Exclusions and Limitations:

The date of diagnosis must occur while coverage is in force and the Specified Disease definition must be satisfied. Only one Initial Benefit will be paid for each Specified Disease per person.

If the Covered Person has a combination transplant (i.e. heart and lung), a single benefit amount will be payable. Recurrence Benefit not payable for same organ for which a benefit was previously paid.

No Evidence of Disease, for cancer means recommended treatment has been completed and a physician through a round of bloodwork or special imaging studies confirms there is no evidence of active primary malignant disease. For Heart Attack and Stroke means person discharged from the hospital.

Guaranteed Issue:

If you are a new hire you are not required to provide proof of good health if you enroll during your employer's eligibility waiting period and you choose an amount of coverage up to and including the Guaranteed Issue Amount. If you apply for an amount of coverage greater than the Guaranteed Issue Amount, coverage in excess of the Guaranteed Issue Amount will not be issued until the insurance company approves acceptable proof of good health.
