It is important to protect the ones you love in the event something happens to you. Our income protection benefits are designed to give you peace of mind should you need them.

Beneficiary designation is completed through your pension scheme and in Workday. Make sure you have online access to your pension to make your selections. To add your beneficiaries in Workday, type “Beneficiaries” into the search bar.

Basis	Sickness	Accident
Premium	100% Sprinklr paid	100% Sprinklr paid
First 30 days	100% of salary	100% of salary
31 days onwards	80% of salary	80% of salary
Payment period	Up to 730 days	For entire period of disability – if lifelong or temporary

Provision of payment is subject to claim approval by the insurer and the provision of sick notes from your doctor. Sprinklr reserves the right to withhold pay because of lack of medical evidence.

Pension Scheme

Irrespective of where you are in your career, it is important to start thinking about saving for your future.

Sprinklr partners with AXA to allow you to contribute to your retirement savings.

Your pensionable salary is defined as your basic salary, plus any regular bonuses and commissions. You will contribute 50% of the premium, and Sprinklr will also contribute 50%.

Life and disability benefits are included in your pension scheme, funded by our split contributions:

- In the event of death in service, your nominated beneficiary will receive 100% of the invested funds
- In the event of disability, you will receive a pension of 70% of your last reported annual salary, with a partner pension of 40% and child's pension of 10%
