# Welcome to Sprinklr UAE!

At Sprinklr, we foster a culture of collaboration, inclusivity, and a shared commitment to customer success. We recognize and value every voice, and we are deeply invested in supporting our people.

Our employee medical, life and disability plans are all **covered by Sprinklr**. You are automatically enrolled into the company life and disability plans from your first day of employment. You can choose to extend medical coverage to a spouse/partner and/or dependent children, should you wish.

## Eligibility

You become eligible for Sprinklr Benefits on your first day. You will receive enrollment information from Sprinklr before your hire date. **You must return these to the Benefits team at [Benefits@sprinklr.com](mailto:Benefits@sprinklr.com) no later than 14 calendar days before your start date to ensure local compliant coverage is in place.** Failure to provide all required information may cause issues in obtaining or renewing your residential or employment visa and may result in local coverage not being processed.

If this deadline is missed, you will not be able to enroll your dependents until the next renewal date, or unless you experience a Qualifying Life Event.

## We are here for you

If you have any questions about enrollment or any of your benefits, you can email [Benefits@sprinklr.com](mailto:Benefits@sprinklr.com).
