Global Business Travel, Medical & Accident

Emergency Medical Care During a Work Trip*

Assistance with arrangements for the person requiring assistance to receive appropriate medical care

Providing guarantee of payment to your treating facility**

Medical monitoring during care abroad

Referrals for healthcare providers or facilities

Emergency prescription replacement

Coordination of medical evacuation

**This benefit is only available when travelling outside of your country of assignment.*

***Out-of-country emergency medical expenses are covered up to \$500,000.*

In emergencies, please contact AIG Travel Assistance using the contact information available on the **Wallet Card** below.

Travel Assistance

Additional Travel Assistance services include:

Lost or stolen luggage

Lost or stolen documents

Embassy and Consulate information

Immunization, business visa and passport information

Emergency language interpretation

These additional benefits are subject to policy conditions.

Contact AHClaims@aig.com for assistance with the above.

Security Assistance

Travel Guard will connect you with an AIG Travel security team member who will provide advice or coordinate assistance, as required.

They will arrange for security evacuation, provide security advisories and 24-hour response services to assist Sprinklr employees and their families during an incident, as required.

Register on the [Travel Guard Website](#) and download the AIG Travel Assistance app to enter your trip details.

For assistance while abroad, email assistance@aig.com or call using the numbers available on the **Wallet Card** below.
